6th Grade Students At Naylor/CCSU Leadership Academy Collect Thanksgiving Food For Families

During the month of November, the 6th graders in Mrs. Pamela Lowe's class collected canned foods and non-perishable items from the Naylor/CCSU Leadership Academy staff, students and their families. The 6th grade students assembled baskets to be given to "Our Sisters' Place Inc." to help needy families celebrate Thanksgiving. They were delivered on Monday, November 21, 2011.

What a wonderful project!

They show us that caring and giving to others is what the holiday spirit is about!
