Mega Education Professional Student Monthly Awards At Sport And Medical Sciences Academy

It's never too early to train our youth to be professionals. Students at Sport and Medical Sciences Academy (SMSA) take their education seriously and participate in a Professional Academy that requires stringent standards to qualify. SMSA's community partner, Mega Education® supports the program with guest speakers and incentives.

On Friday, November 11, 2011, Stephen Worley, Livefit's Vice President, was the special guest speaker at the SMSA Professional Student Monthly Awards. Livefit - Greater Hartford Physical Therapy could not be a more "perfect fit" for Sport and Medical Sciences Academy, as Livefit's four offices coordinate physical therapy for area orthopedic and other referring doctors. Its affiliated orthopedics and other specialists treat local professional and college athletes. At the awards event Mr. Worley had the opportunity to speak to the Professional Academy about the treatment and business aspects of a physical therapy practice. What a connection for SMSA! Job shadowing, career opportunities – the possibilities are endless!

Livefit has been a community partner and supporter of Mega Education® and Hartford Public Schools for many years. This year, Livefit provided funding for new lettering for the SMSA - Mega Education® school sign, a number of book scholarships for this year's for college bound, graduating seniors, and most importantly, formally established a partnership role with SMSA.

Education is the Key.... Mega Education® makes it fun!

Congratulations to all!

A big thanks to Mr. Worley for providing students at the SMSA Professional Academy such a great opportunity!

Please see below for photos.

Dean of Students, Jose Colon, proudly smiles in the background, (dark shirt) and rightfully so, as SMSA has been selected as one of America's Best Schools once again. Also, featured in the photo (dark sport coat and white shirt) Livefit's Vice President, Stephen Worley, along with Attorney Jeffrey Dressler (suit and red tie).
